

EVENTCATERERS

RACECOURSE AND EVENTS – GENERAL CATERING MANAGER

We are now looking to recruit a full time Catering Manager to manage both raceday and non-raceday catering services at various venues throughout the region. On racedays this includes busy bars, restaurants and private box facilities and on non-racedays includes dinners, conferences, weddings and events

Key areas of responsibility:

- To lead the management team and be responsible for the professional, efficient and cost effective operation of our catering services across a range of venues
- To ensure that all raceday and non-raceday catering is delivered to the highest standard, always with our clients and customers in mind
- To communicate effectively with other departments in the business. This includes sales admin, accounts, HR, central food production and facilities team
- To ensure adherence to all company food safety and health and safety protocols
- To provide and promote excellent customer service, acting as an ambassador for the business

The ideal candidate will possess the following skills and attributes:

- Substantial experience in Event/Hospitality Management, ideally to include prior experience of an outside catering operation
- Good financial understanding of catering budgets, margins, cost of sales and fixed/variable costs
- Food hygiene qualifications (certification required)
- Excellent communication skills and experience in leading a team
- Creativity and flexibility
- Ambitious and self-motivated individual, able to work under pressure
- Excellent customer service skills
- Own transport and a clean driving license is essential for this role

Role type:

- Full time

How to apply
