## Est. 1896

### Food and Beverage Operatives

We are now recruiting for a number of bar and waiting vacancies across our Yorkshire Racecourse portfolio; courses include Beverley, Pontefract, Redcar and York. If you're looking for a fun, varied and flexible part time job then we would love to hear from you.

Working on a raceday is an exciting and fun opportunity for all, with the added bonus of flexible shifts to fit around the other important things in life. We provide the opportunity for enthusiastic, fun, hardworking people to work within our catering operation across Yorkshire's many wonderful Racecourses.

As a member of our catering team you could be allocated one of a range of jobs; stationed on a food kiosk or a fast paced bar facility, serving in a restaurant, café or an exclusive hospitality box. You will work on racedays as well as at other non-raceday events such as dinners, weddings, exhibitions and conferences, no two days are ever the same.

We may also offer shifts at other venues across our portfolio and for these we provide free transport from various pick up points. We are part of ASM Global, the world's leading venue management and services company so we have lots of opportunities for our team members.

#### Requirements:

- Previous bar and/or hospitality experience is an advantage but not always a necessity as we offer full training
- All team members will need to have a smart appearance due to the customer facing nature of the role
- We're looking for excellent customer service skills and team members with a great eye for detail
- You will need to be enthusiastic, engaging, hardworking and comfortable with the fast pace of a race day or event
- Most importantly, we're looking for team members who are fun loving, sociable and team focused

If this is you, we'd love to hear from you

#### How to apply

Please email Liz Jones-Locke, HR & Recruitment Officer – [recruitment@cgceventcaterers.co.uk](mailto:recruitment@cgceventcaterers.co.uk)
